

FIG. 1

*FIG. 2*

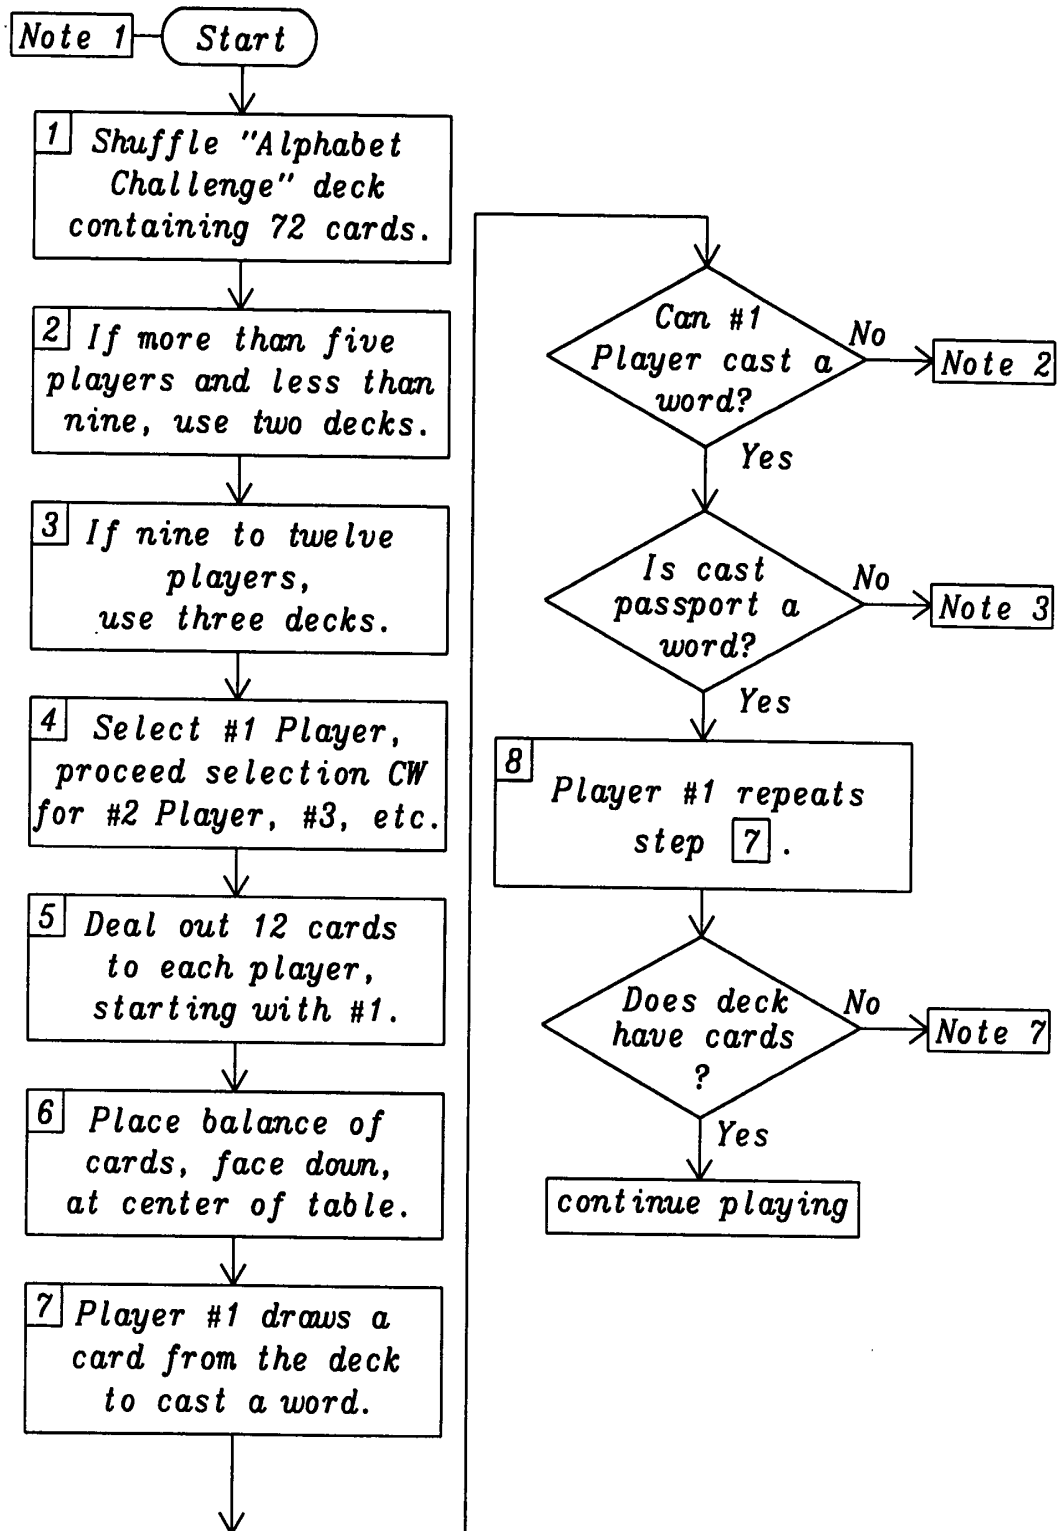

FIG. 3a

NOTES

FIG. 3b

1-ESTABLISH GROUND RULES:

- o Passport word size, ie, 4 letters, 5, etc.
- o Player defines cast word.
- o If not a word, impose penalty points.
- o Implement point system.
- o Miscellaneous rules. (See example in Note 10)

2-The first word cast is a "Passport" must come from the player's hand.

3-Player, must discard one card from hand, next player chooses to use discard or draws a card from the deck.

4-Two types of special cards are included in the deck and labeled respectively * and (.

* is a wild card used to represent any letter and used in any situation.

(is a boomerang card and used to replace any letter from a newly cast word.

5-Two boomerang cards can be used to remove any letter from a newly cast word and replaced with a letter to form a new word. The removed letter is placed at the bottom of the deck.

6-Three boomerang cards can be used to counter a boomerang card and the hand must have at least three cards remaining excluding the boomerang card. After boomerang card is used, remove it from game.

7-Option 1: Winner is the player with the least penalty point total.

Option 2: Reshuffle all thrown cards to form new deck.

8-Point System

- o Winning player is awarded a merit point (a positive point) on the blue circle.
- o All other players are awarded a penalty point (a negative point) on the red circle.

9-Standard level of game

- o The standard passport has four letters (four cards).
- o When a word is cast, the player must give meaning of the word.
- o When a card word is misspelled or player gave incorrect meaning, the player receives a penalty point.
- o Players decide how many games will be played, at the finish, the player with the highest point total is the winner.

10-Example of a miscellaneous rule:

- o When playing with more than one deck and a player receives more than three boomerang cards, collect all cards, reshuffle, and redeal to each player.
